

Billedserie til at klippe ud: først, så, til sidst

Navn: _____ Dato: _____

Klip billederne på hver strimmel ud, og lim dem på snoren med det samme mærke, i de tomme rammer over Først, Så og Til sidst.

The worksheet is designed for a sequencing activity. It consists of two rows of three empty dashed boxes for pictures, each with a label 'Først', 'Så', or 'Til sidst' below it. Below the first row is a strip of three pictures showing an apple being eaten: first, a whole apple; second, an apple with a bite taken out; third, an apple core. Below the second row is a strip of three pictures showing a house being built: first, a house with a red roof and a red pencil; second, an empty box with a red pencil; third, a house with a red roof, a green tree, and a sun, with a red pencil and a blue pencil.
