The image shows a matching exercise on a light blue background with a green grassy field at the bottom. At the top, there are three dashed boxes containing the numbers 2, 3, and 1 from left to right. Below these are three objects: a red balloon, a kite with yellow and red stripes, and a purple diamond-shaped kite. At the bottom, there are three animals: a pink pig, a white goat, and a yellow duck. Each animal has a circular number next to it: 1 for the pig, 2 for the goat, and 3 for the duck. Colored lines connect the animals to the objects: a purple line connects the pig (1) to the purple kite, a yellow line connects the goat (2) to the yellow and red striped kite, and a blue line connects the duck (3) to the red balloon.
