

Hvis drage eller ballon er det? – Facitliste

Navn: _____ Dato: _____

 Følg hver snor fra et dyr hen til dets drage eller ballon. Skriv dyrets nummer i boksen ovenover.

The puzzle features three animals at the bottom and three objects at the top, each with a number in a box. Colored lines connect the animals to the objects:

- Animal 1 (Deer) is connected to Object 2 (Green Balloon) by a purple line.
- Animal 2 (Hedgehog) is connected to Object 3 (Red Balloon) by a blue line.
- Animal 3 (Owl) is connected to Object 1 (Kite) by a yellow line.

The background includes a blue sky with a bird, a leaf, and a brown ground with a mushroom.
