

Hvis drage eller ballon er det? – Facitliste

Navn: _____ Dato: _____

 Følg hver snor fra et dyr hen til dets drage eller ballon. Skriv dyrets nummer i boksen ovenover.

The image shows a matching exercise with five colored lines connecting dinosaurs at the bottom to kites and balloons at the top. The dinosaurs are numbered 1 to 5 in circles. The kites and balloons are numbered 1 to 5 in dashed boxes. The lines are: 1 (purple) connects to 1 (red balloon), 2 (brown) connects to 2 (yellow and red kite), 3 (green) connects to 3 (blue and yellow kite), 4 (orange) connects to 4 (red and blue kite), and 5 (blue) connects to 5 (green balloon). The background is a light orange sky with a sun and a dragonfly, and a green grassy field at the bottom.
