

Matematikopgave

Tæl, læg sammen og træk fra for at løse sjove opgaver!

Opgave 1

$$\text{Illustration of a man reading a book} + 6 - \text{Illustration of a woman with a phone} = 10$$

$$\text{Illustration of a man reading a book} + \text{Illustration of a man reading a book} = 16$$

$$\text{Illustration of a woman with a phone} = 4 \quad \text{Illustration of a man reading a book} = 8$$
