

Ordenstal fra begge sider: start ved flaget — Facitliste

Navn: _____ Dato: _____

Find først flaget: det kan stå i begge ender. Start dér, tæl hen til tallet på hver brik, og lav det mærke, den viser.

A sequence of eight kitchen items is shown in a row, each in a white box with a yellow border. Above the items is a horizontal number line with an arrow pointing left, starting at 0 on the right and ending at 8 on the left. The items are: a red pot (labeled 8.), a blue microwave, a glass jar, a green oven (labeled 5.), a blue glass, a red blender, a purple spoon, and a red stand mixer. Below the items are two buttons: the first button shows '5.' and a small square icon, and the second button shows '8.' and a crossed-out square icon.
