

Wem gehört der Drachen oder Ballon? – Lösungen

Name: _____ Datum: _____

- ★ Folge jeder Schnur von einem Kind oder Spielzeug bis zu seinem Drachen oder Ballon. Schreib seine Nummer in das Kästchen darüber.

The puzzle consists of a green grassy field at the bottom and an orange sky at the top. In the field, there are four children: a girl in a red dress (1), a boy in a blue jacket (2), a girl in a blue dress (3), and a brown teddy bear (4). In the sky, there are four toys: a kite (1), a green balloon (2), a red balloon (3), and a kite (4). Colored lines connect the children to the toys: a red line from child 1 to kite 1, a green line from child 2 to balloon 2, a blue line from child 3 to balloon 3, and a brown line from child 4 to kite 4. The numbers 1-4 are in boxes above the toys and circles below the children.
