

Wem gehört der Drachen oder Ballon? – Lösungen

Name: _____ Datum: _____

 Folge jeder Schnur von einem Tier bis zu seinem Drachen oder Ballon. Schreib die Nummer des Tieres in das Kästchen darüber.

The puzzle is set against a light blue sky background with a brown ground at the bottom. On the ground, there are three animals: a deer (left), a hedgehog (middle), and an owl (right). Above each animal is a green circle containing a white number: 1 for the deer, 2 for the hedgehog, and 3 for the owl. In the sky, there are three objects: a green balloon (left), a red kite (middle), and a red balloon (right). Above each object is a dashed box containing a red number: 2 for the green balloon, 3 for the red kite, and 1 for the red balloon. Three colored lines connect the animals to the objects: a blue line from the deer (1) to the green balloon (2), a purple line from the hedgehog (2) to the red kite (3), and a brown line from the owl (3) to the red balloon (1). A small bird is flying on the right side of the sky, and a small red maple leaf is on the left side.
