Name: _____ Datum: _____

★ Das Muster wächst. Kreise die Gruppe ein, die als Nächstes kommt.

1. Pattern: A sequence of four boxes. The first box contains 1 orange. The second box contains 2 oranges. The third box contains 3 oranges. The fourth box is a dashed red square containing a question mark. To the right of a vertical dashed line are three options, each in a green circle: the first has 4 oranges, the second has 5 oranges, and the third has 6 oranges.

2. Pattern: A sequence of four boxes. The first box contains 1 tomato. The second box contains 2 tomatoes. The third box contains 3 tomatoes. The fourth box is a dashed red square containing a question mark. To the right of a vertical dashed line are three options, each in a green circle: the first has 4 tomatoes, the second has 5 tomatoes, and the third has 6 tomatoes.

3. Pattern: A sequence of four boxes. The first box contains 1 apple. The second box contains 2 apples. The third box contains 3 apples. The fourth box is a dashed red square containing a question mark. To the right of a vertical dashed line are three options, each in a green circle: the first has 4 apples, the second has 5 apples, and the third has 6 apples.

4. Pattern: A sequence of four boxes. The first box contains 1 fig. The second box contains 2 figs. The third box contains 3 figs. The fourth box is a dashed red square containing a question mark. To the right of a vertical dashed line are three options, each in a green circle: the first has 4 figs, the second has 5 figs, and the third has 6 figs.
