s ß

Vereinfachte Ausgangsschrift

Handwriting practice lines for the cursive letters 's' and 'ß' in the simplified Ausgangsschrift style. The page features two main sections, one for 's' and one for 'ß'. Each section begins with a row of tracing guides: a single letter followed by two groups of three connected letters. Below these guides are four sets of empty handwriting lines, each consisting of a top line, a middle line, and a bottom line, separated by a vertical red margin line on the left. This layout allows for repeated practice of writing the letters across the width of the page and across multiple rows.
