1

A horizontal number line with arrows at both ends. Major tick marks are labeled 0, 50, and 100. There are 10 equal intervals between 0 and 100, with minor tick marks every 10 units. A green dot is placed on the 8th tick mark after 0, representing the number 80. Below the number line, two rounded rectangles are shown: one containing the number 100, which is circled in orange, and another containing the number 0, which is circled in green.

2

A horizontal number line with arrows at both ends. Major tick marks are labeled 100, 150, and 200. There are 10 equal intervals between 100 and 200, with minor tick marks every 10 units. A green dot is placed on the 2nd tick mark after 100, representing the number 120. Below the number line, two rounded rectangles are shown: one containing the number 200, which is circled in green, and another containing the number 100, which is circled in orange.

3

A horizontal number line with arrows at both ends. Major tick marks are labeled 200, 250, and 300. There are 10 equal intervals between 200 and 300, with minor tick marks every 10 units. A green dot is placed on the 1st tick mark after 200, representing the number 210. Below the number line, two rounded rectangles are shown: one containing the number 300, which is circled in green, and another containing the number 200, which is circled in orange.
