

Zahlenstrahl ablesen bis 10

Name: _____ Datum: _____

★ Lies am Zahlenstrahl bis 10 ab, wohin jeder Pfeil zeigt.

1

A horizontal number line with arrows at both ends, labeled '0' at the left and '10' at the right. There are 11 tick marks in total, including the endpoints. Above the line, there are three dashed rectangular boxes. An orange arrow points from each box down to a tick mark. The first box points to the second tick mark (2), the second box points to the fourth tick mark (4), and the third box points to the seventh tick mark (7).

2

A horizontal number line with arrows at both ends, labeled '0' at the left and '10' at the right. There are 11 tick marks in total, including the endpoints. Above the line, there are three dashed rectangular boxes. An orange arrow points from each box down to a tick mark. The first box points to the third tick mark (3), the second box points to the sixth tick mark (6), and the third box points to the eighth tick mark (8).

3

A horizontal number line with arrows at both ends, labeled '0' at the left and '10' at the right. There are 11 tick marks in total, including the endpoints. Above the line, there are three dashed rectangular boxes. An orange arrow points from each box down to a tick mark. The first box points to the first tick mark (1), the second box points to the fifth tick mark (5), and the third box points to the ninth tick mark (9).
