

Compare Two Animals: Same and Different

Name: _____ Date: _____

Read both fact files. For each fact, circle same or different. Then write two things that are the same and two that are different.

Ladybug

Animal group	insect
Where it lives	air
What it eats	meat
Body covering	shell

Eagle

Animal group	bird
Where it lives	air
What it eats	meat
Body covering	feathers

Animal group

same

different

Where it lives

same

different

What it eats

same

different

Body covering

same

different

Write what is the same and what is different:

Same:

Same:

Different:

Different:
