

# Code Breaker Addition

Crack the code! Find the number for each symbol and solve!

$$1. \quad \overset{1}{\text{trumpet}} + \overset{4}{\text{drum}} = 5$$

$$2. \quad \overset{1}{\text{trumpet}} + \overset{5}{\text{singer}} = 6$$

$$3. \quad \overset{4}{\text{drum}} + \overset{6}{\text{xylophone}} = 10$$

$$4. \quad \overset{6}{\text{xylophone}} + \overset{5}{\text{singer}} = 11$$

$$5. \quad \overset{5}{\text{singer}} + \overset{6}{\text{xylophone}} = 11$$
