

# Each Picture Means 5

Name: \_\_\_\_\_ Date: \_\_\_\_\_

★ Each picture stands for 5! Write the real count for each row.

Illustration of a worksheet with four rows of icons. The first row has five helicopters. The second row has two dominoes (one with 4 dots, one with 5 dots). The third row has three sandboxes. The fourth row has eight dinosaurs. Below the first row, there is a pink oval containing a helicopter icon followed by the text "= 5".

Four rows of icons for counting, each followed by an equals sign and a dashed square box for the answer:

- Helicopter icon =
- Domino icon =
- Sandbox icon =
- Dinosaur icon =
