

Math Worksheet

Count, add, and subtract to solve fun math problems!

Puzzle 1

$$\text{soccer ball} + \text{race car} + \text{train} + \text{balloon} = 45$$

$$\text{race car} + \text{balloon} - \text{race car} = 19$$

$$\text{soccer ball} + \text{balloon} + \text{balloon} = 49$$

$$\text{race car} + \text{race car} + 1 = 3$$

$$\text{balloon} = 19 \quad \text{soccer ball} = 11 \quad \text{train} = 14 \quad \text{race car} = 1$$
