

Math Worksheet

Count, add, and subtract to solve fun math problems!

Puzzle 1

$$\text{Round tree} - \text{Christmas tree} + \text{Round tree} = 17$$

$$\text{Christmas tree} + \text{Round tree} + \text{Round tree} + \text{Fruit tree} = 21$$

$$\text{Round tree} + \text{Christmas tree} - \text{Fruit tree} = 14$$

$$\text{Round tree} + 2 + 9 = 22$$

$$\text{Round tree} = 11 \quad \text{Christmas tree} = 5 \quad \text{Fruit tree} = 2 \quad \text{Round tree} = 3$$
