

Number Walls: Find the Missing Brick

Name: _____ Date: _____

One bottom brick is missing. Find it, then build the whole wall.

1

A number wall diagram with 4 rows. The top row has 1 dashed brick. The second row has 2 dashed bricks. The third row has 3 bricks: 2 dashed, 1 solid with the number 2, and 1 dashed. The bottom row has 4 bricks: 1 solid with 1, 1 solid with 3, 1 dashed, and 1 solid with 1.

2

A number wall diagram with 4 rows. The top row has 1 dashed brick. The second row has 2 dashed bricks. The third row has 3 bricks: 2 dashed, 1 solid with the number 2, and 1 dashed. The bottom row has 4 bricks: 1 solid with 3, 1 solid with 4, 1 dashed, and 1 solid with 1.

3

A number wall diagram with 4 rows. The top row has 1 dashed brick. The second row has 2 dashed bricks. The third row has 3 bricks: 2 dashed, 1 solid with the number 7, and 1 dashed. The bottom row has 4 bricks: 1 solid with 1, 1 solid with 1, 1 dashed, and 1 solid with 5.

4

A number wall diagram with 4 rows. The top row has 1 dashed brick. The second row has 2 dashed bricks. The third row has 3 bricks: 1 solid with 5, 1 dashed, and 1 dashed. The bottom row has 4 bricks: 1 solid with 2, 1 dashed, 1 solid with 1, and 1 solid with 5.
