1. How does Sam feel on the first page?
2. What does Dad do?
3. What happens at the end?

For the teacher: New in this book: i, n, d and the heart word "is". In "sits", "pats" and "naps" the last s is an ending: have the child read "sit", "pat", "nap" first, then add the s. The a in "Sam" and "and" sounds a little different from the a in "pat": say the word naturally.
