

Sink or Float Investigation: My Lab Report

Name: _____ Date: _____

Choose a question, write what you think, test it, then draw what happened and write what you learned.

1 ? My question

☐

Does an orange float with its peel? Does it float without its peel?

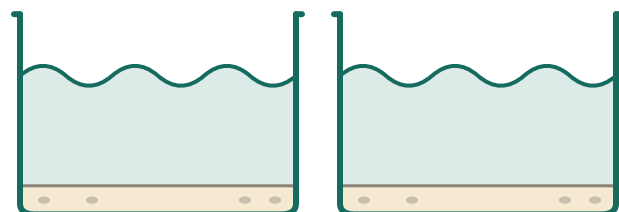

☐

How many cubes can a clay boat carry before it sinks?

2 🔍 I think

3 💧 What happened

4 💡 I learned

Now I know that _____
