

Story Sequencing

Sentences: Match the Pictures

Name: _____ Date: _____

Number each story's sentences in order in the boxes, then draw a line from every sentence to its picture.

The child finds a shell.

A child walks and leaves three footprints.

The child is back with the shell on the towel.

There are no footprints in the sand.

Only crumbs are left.

The cake is whole.

Half of the cake is gone.

One slice is cut out.
