

Story Sequencing

Sentences: Match the Pictures — Answer key

Name: _____ Date: _____

The sentences of two stories are mixed up. Number each story's sentences 1 to 4 in the boxes, then draw a line from every sentence to its picture.

4

Only the core is left.

3

The child finds a shell.

1

The apple is whole.

3

The apple has three bites.

4

The child is back with the shell on the towel.

2

A child walks and leaves three footprints.

2

The apple has one bite.

1

There are no footprints in the sand.
