

Story Sequencing

Sentences: Match the Pictures

Name: _____ Date: _____

The sentences of two stories are mixed up. Number each story's sentences 1 to 4 in the boxes, then draw a line from every sentence to its picture.

The sandwich is cut in half.

There are two slices of bread.

The sheet is cut into five strips.

All five rings make a chain.

One slice has jam on it.

Only a crust and crumbs are left.

There is one sheet of paper.

Two strips are glued into rings.
