

Story Sequencing

Sentences: Match the Pictures — Answer key

Name: _____ Date: _____

The sentences of two stories are mixed up. Number each story's sentences 1 to 4 in the boxes, then draw a line from every sentence to its picture.

1

The cake is whole.

1

The fence is all white.

3

Half of the cake is gone.

3

Four planks are painted.

4

Only crumbs are left.

2

One slice is cut out.

4

The whole fence is painted.

2

Two planks are painted.
