

# Story Sequencing

## Sentences: Match the Pictures

Name: \_\_\_\_\_ Date: \_\_\_\_\_

The sentences of two stories are mixed up. Number each story's sentences 1 to 4 in the boxes, then draw a line from every sentence to its picture.

The cake is whole.

The fence is all white.

Half of the cake is gone.

Four planks are painted.

Only crumbs are left.

One slice is cut out.

The whole fence is painted.

Two planks are painted.
