Division Word Problems: Sharing — Answer key

Name: _____ Date: _____

Each story shares things out. Deal them into the boxes.

Zoe puts 15 ribbons into 5 baskets, the same number in each basket. How many ribbons go in each basket?

3

15 ÷ 5 = 3

Ruby lines up 30 eggs in 5 equal rows. How many eggs are in each row?

6

30 ÷ 5 = 6
