

Recorre el borde

Nombre: _____ Fecha: _____

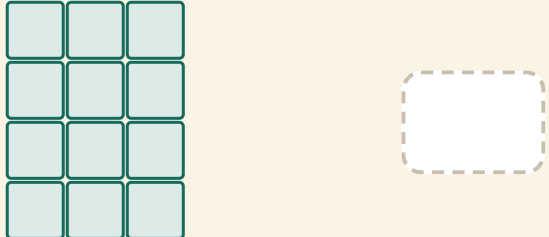

★ Cuenta las unidades del borde de cada rectángulo. Escribe el perímetro.

1

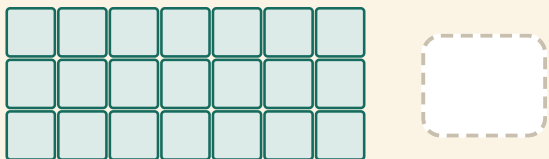

A 4x6 grid of light blue squares is shown on the left. To its right is a dashed-line rectangle that is 4 units high and 6 units wide, matching the grid's dimensions.

2

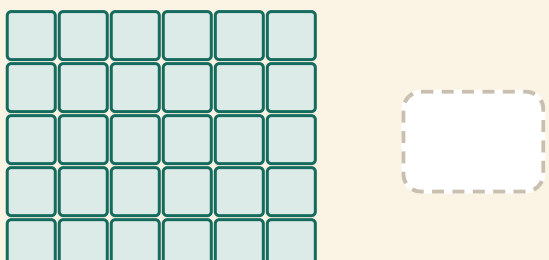

A 4x3 grid of light blue squares is shown on the left. To its right is a dashed-line rectangle that is 4 units high and 3 units wide, matching the grid's dimensions.

3

A 3x7 grid of light blue squares is shown on the left. To its right is a dashed-line rectangle that is 3 units high and 7 units wide, matching the grid's dimensions.

4

A 5x6 grid of light blue squares is shown on the left. To its right is a dashed-line rectangle that is 5 units high and 6 units wide, matching the grid's dimensions.
