

¿De quién es cada hilo?

Nombre: _____ Fecha: _____

 Sigue cada hilo desde un animal hasta su papalote o su globo. Escribe el número del animal en el cuadro de arriba.

The exercise consists of five paths, each starting from a dinosaur at the bottom and ending at a kite or balloon at the top. The paths are numbered 1 to 5 in circles. Above each path is a dashed box for the answer. The background is a light orange sky with a sun on the right and a dragonfly on the left. The ground is green grass with five dinosaurs: a purple Stegosaurus, a blue Triceratops, a brown T-Rex, a small brown dinosaur, and a blue Pterosaur.

Animal	Path Number	Object
1	1	Blue and yellow kite
2	2	Green balloon
3	3	Red and blue kite
4	4	Red and yellow kite
5	5	Red balloon
