Nombre: _____ Fecha: _____

★ Sigue cada hilo desde un animal hasta su papalote o su globo. Escribe el número del animal en el cuadro de arriba.

The puzzle is set against a light blue sky background with a green grassy field at the bottom. At the bottom, there are three animals in white circles: a pig (1), a goat (2), and a duck (3). At the top, there are three objects in dashed boxes: a red balloon (2), a kite (3), and a diamond-shaped kite (1). Lines connect the animals to the objects: a blue line from the pig to the diamond, a purple line from the goat to the balloon, and a brown line from the duck to the kite. Decorative elements include a pink cloud on the left and a small bird on the right.
