

Ayuda a la catarina a llegar a la flor

Nombre: _____ Fecha: _____

Mira el número junto a la catarina. Pisa solo las piedras cuyo resultado es ese número.

The maze consists of a yellow path on a green background. The path starts at a ladybug at the bottom center, which is next to a green circle containing the number 9. The path branches out into several paths, each leading to a subtraction problem in a white oval. The problems are:

- $12 - 4$
- $17 - 8$
- $11 - 3$
- $15 - 6$
- $12 - 3$
- $11 - 2$
- $14 - 5$
- $12 - 2$
- $13 - 4$
- $18 - 9$
- $15 - 7$
- $16 - 6$
- $13 - 3$
- $14 - 4$
- $16 - 7$
- $14 - 6$
- $10 - 2$

The path ends at a flower at the top right, marked with a red dashed circle. The ladybug must choose the correct path based on the result of the subtraction being 9.
