Empieza en la bandera. Cuenta hasta el número de cada ficha y haz la marca que indica.

Exercise 1: A sequence of 8 birds is shown. The 7th bird (yellow parrot) is marked with a red box and a red circle containing '7.º'. The 8th bird (dark blue bird) is marked with a red box and a red circle containing '8.º'. Below the sequence, there are two boxes: the first contains '7.º' with a red 'X' mark, and the second contains '8.º' with a green checkmark.

Exercise 2: A sequence of 8 birds is shown. The 3rd bird (pink flamingo) is marked with a red box and a red circle containing '3.º'. The 6th bird (dark blue bird) is marked with a red box and a red circle containing '6.º'. Below the sequence, there are two boxes: the first contains '3.º' with a red 'X' mark, and the second contains '6.º' with a green checkmark.

Exercise 3: A sequence of 8 birds is shown. The 1st bird (brown bird) is marked with a red box and a red circle containing '1.º'. The 4th bird (dark blue bird) is marked with a red box and a red circle containing '4.º'. Below the sequence, there are two boxes: the first contains '1.º' with a green checkmark, and the second contains '4.º' with a red 'X' mark.
