

La recta numérica del 0 al 120

Nombre: _____ Fecha: _____

★ Esta recta pasa del 100 y llega hasta el 120.

1

A horizontal number line with arrows at both ends. Major tick marks are labeled 0, 50, and 100. There are 12 small tick marks in total, including the major ones, which divide the line into 11 equal intervals of 10 units each. Two empty dashed boxes are positioned above the line, each with an arrow pointing down to a tick mark. The first box is above the 30th tick mark (30), and the second box is above the 70th tick mark (70).

2

A horizontal number line with arrows at both ends. Major tick marks are labeled 0, 50, and 100. There are 12 small tick marks in total, including the major ones, which divide the line into 11 equal intervals of 10 units each. Two empty dashed boxes are positioned above the line, each with an arrow pointing down to a tick mark. The first box is above the 20th tick mark (20), and the second box is above the 80th tick mark (80).

3

A horizontal number line with arrows at both ends. Major tick marks are labeled 0, 50, and 100. There are 12 small tick marks in total, including the major ones, which divide the line into 11 equal intervals of 10 units each. Three empty dashed boxes are positioned above the line, each with an arrow pointing down to a tick mark. The first box is above the 10th tick mark (10), the second box is above the 40th tick mark (40), and the third box is above the 60th tick mark (60).
