

La recta numérica del 60 al 100

Nombre: _____ Fecha: _____

★ Esta recta empieza en 60 y cada marca vale 1.

1

A horizontal number line with arrows at both ends, ranging from 60 to 100. Major tick marks are labeled every 5 units: 60, 65, 70, 75, 80, 85, 90, 95, 100. Between each major tick mark, there are four smaller tick marks, representing 1-unit intervals. Two dashed orange boxes are placed above the line. The first box is centered over the 4th small tick mark after 80 (which is 84), and the second box is centered over the 1st small tick mark after 90 (which is 91). An orange arrow points from each box down to its corresponding tick mark on the line.

2

A horizontal number line with arrows at both ends, ranging from 60 to 100. Major tick marks are labeled every 5 units: 60, 65, 70, 75, 80, 85, 90, 95, 100. Between each major tick mark, there are four smaller tick marks, representing 1-unit intervals. Two dashed orange boxes are placed above the line. The first box is centered over the 2nd small tick mark after 70 (which is 72), and the second box is centered over the 2nd small tick mark after 90 (which is 92). An orange arrow points from each box down to its corresponding tick mark on the line.

3

A horizontal number line with arrows at both ends, ranging from 60 to 100. Major tick marks are labeled every 5 units: 60, 65, 70, 75, 80, 85, 90, 95, 100. Between each major tick mark, there are four smaller tick marks, representing 1-unit intervals. Two dashed orange boxes are placed above the line. The first box is centered over the 1st small tick mark after 60 (which is 61), and the second box is centered over the 3rd small tick mark after 65 (which is 69). An orange arrow points from each box down to its corresponding tick mark on the line.
