The image contains three visual puzzles, each consisting of a sequence of four frames hanging from a string. Each frame shows a different scene or action. The fourth frame in each sequence is a dashed box containing a question mark, indicating that the student must choose the correct continuation from the options below.

Sequence 1 (Top):

- Frame 1: A row of five colored blocks (red, yellow, green, blue, purple) on a table. A pair of scissors is on the table.
- Frame 2: The same row of five colored blocks.
- Frame 3: The same row of five colored blocks.
- Frame 4: A dashed box with a question mark.

Options for Sequence 1:

- Option 1: A row of five colored blocks (red, yellow, green, blue, purple) on a table. A pair of scissors is on the table.
- Option 2: A row of five colored blocks (red, yellow, green, blue, purple) on a table. A pair of scissors is on the table.
- Option 3: A row of five colored blocks (red, yellow, green, blue, purple) on a table. A pair of scissors is on the table.

Sequence 2 (Middle):

- Frame 1: A boy is painting a white picket fence with a brush and a bucket of paint.
- Frame 2: The boy is painting the fence.
- Frame 3: The boy is painting the fence.
- Frame 4: A dashed box with a question mark.

Options for Sequence 2:

- Option 1: A boy is painting a white picket fence with a brush and a bucket of paint.
- Option 2: A boy is painting a white picket fence with a brush and a bucket of paint.
- Option 3: A boy is painting a white picket fence with a brush and a bucket of paint.

Sequence 3 (Bottom):

- Frame 1: A girl is sitting on a beach, building a sandcastle.
- Frame 2: The girl is sitting on the beach, building a sandcastle.
- Frame 3: The girl is sitting on the beach, building a sandcastle.
- Frame 4: A dashed box with a question mark.

Options for Sequence 3:

- Option 1: A girl is sitting on a beach, building a sandcastle.
- Option 2: A girl is sitting on a beach, building a sandcastle.
- Option 3: A girl is sitting on a beach, building a sandcastle.
