A vibrant, cartoon-style illustration of a farm scene. A winding path, outlined in brown and filled with a thick orange-red stripe, leads from a green circular button with a white arrow at the bottom left towards a blue milk bottle at the top right. The path is set against a light brown ground with small tufts of grass and a few dark spots. In the background, a wooden fence runs across the top, with a bright yellow sun and a white cloud in the sky. To the left of the path is a large haystack, and to the right are two smaller haystacks. In the bottom left corner, a ginger cat sits next to the starting button. In the bottom center, a white chicken stands. In the bottom right, a small brown and white dog sits. A single blue egg lies on the ground to the left of the path.
