

Lukupyramidi: puuttuva tiili

Nimi: _____ Päivämäärä: _____

★ Yksi alin tiili puuttuu. Käytä yläpuolen tiiliä apuna.

1

A pyramid puzzle with 4 rows. The top row has 1 dashed square. The second row has 2 dashed squares. The third row has 3 squares: a dashed square on the left, a solid square with the number 4 in the middle, and a dashed square on the right. The bottom row has 4 squares: a solid square with 5 on the left, a solid square with 1 in the second position, a dashed square in the third position, and a solid square with 1 on the right.

2

A pyramid puzzle with 4 rows. The top row has 1 dashed square. The second row has 2 dashed squares. The third row has 3 squares: a dashed square on the left, a solid square with the number 4 in the middle, and a dashed square on the right. The bottom row has 4 squares: a solid square with 1 on the left, a dashed square in the second position, a solid square with 3 in the third position, and a solid square with 6 on the right.

3

A pyramid puzzle with 4 rows. The top row has 1 dashed square. The second row has 2 dashed squares. The third row has 3 squares: a solid square with the number 3 on the left, a dashed square in the middle, and a dashed square on the right. The bottom row has 4 squares: a solid square with 2 on the left, a dashed square in the second position, a solid square with 3 in the third position, and a solid square with 3 on the right.
