

Matematiikkapulmat

Ratkaise kuvapulmat!

A 3x3 grid of math puzzles is overlaid on a light blue sweater illustration. The sweater has a red left sleeve and a yellow right sleeve. The grid is divided into nine cells, each containing a simple arithmetic equation.

$19 - 12 = 7$	$14 - 12 = 2$	$5 + 3 = 8$
$11 - 1 = 10$	$2 + 1 = 3$	$8 + 1 = 9$
$3 + 2 = 5$	$2 + 2 = 4$	$3 + 3 = 6$
