

Matematiikkapulmat

Ratkaise kuvapulmat!

A 3x3 grid of math problems. A light blue tent illustration is overlaid on the grid, with its peak in the top-middle cell and its base spanning the bottom row. The tent's body covers the middle and bottom rows, and its poles are visible in the bottom-left and bottom-right cells.

$10 - 5 = 5$	$8 - 1 = 7$	$18 - 12 = 6$
$3 - 1 = 2$	$13 - 5 = 8$	$6 - 2 = 4$
$4 - 1 = 3$	$17 - 8 = 9$	$18 - 8 = 10$
