

# Satataulun palat: täydennä luvut

Nimi: \_\_\_\_\_ Päivämäärä: \_\_\_\_\_

Jokaisessa palassa on yksi luku. Kirjoita puuttuvat luvut: oikealle 1 enemmän, vasemmalle 1 vähemmän, alapuolelle 10 enemmän, yläpuolelle 10 vähemmän.

1

A cross-shaped arrangement of five squares. The central square is light blue and contains the number 62. The four surrounding squares (top, bottom, left, and right) are white with dashed borders, indicating they are to be filled in.

2

A 3x3 grid of nine squares. The central square is light blue and contains the number 56. The eight surrounding squares are white with dashed borders, indicating they are to be filled in.

3

A cross-shaped arrangement of five squares. The central square is light blue and contains the number 19. The four surrounding squares (top, bottom, left, and right) are white with dashed borders, indicating they are to be filled in.

4

A cross-shaped arrangement of five squares. The central square is light blue and contains the number 21. The four surrounding squares (top, bottom, left, and right) are white with dashed borders, indicating they are to be filled in.

5

A cross-shaped arrangement of five squares. The central square is light blue and contains the number 68. The four surrounding squares (top, bottom, left, and right) are white with dashed borders, indicating they are to be filled in.

6

A 3x3 grid of nine squares. The central square is light blue and contains the number 15. The eight surrounding squares are white with dashed borders, indicating they are to be filled in.
