

À qui est chaque fil ? — Corrigé

Prénom : _____ Date : _____

 Suis chaque fil d'un animal jusqu'à son cerf-volant ou son ballon. Écris le numéro de l'animal dans la case au-dessus.

The puzzle consists of a green field with a light green sky. At the bottom, five animals are shown, each with a number in a white circle above it: 1 (monkey), 2 (gorilla), 3 (sloth), 4 (tiger), and 5 (lizard). At the top, five objects are shown, each with a number in a dashed box above it: 3 (red balloon), 5 (purple diamond-shaped kite), 4 (green balloon), 2 (blue diamond-shaped kite), and 1 (yellow and red diamond-shaped kite). Colored lines connect the animals to their objects: a blue line from the monkey (1) to the blue kite (2), a purple line from the gorilla (2) to the purple kite (5), a green line from the sloth (3) to the green balloon (4), a brown line from the tiger (4) to the red balloon (3), and a yellow line from the lizard (5) to the yellow and red kite (1). A toucan is on the left and a butterfly is on the right.
