Prénom : _____ Date : _____

 Suis chaque fil d'un animal jusqu'à son cerf-volant ou son ballon. Écris le numéro de l'animal dans la case au-dessus.

The image shows a matching exercise on a light blue background representing the sky. At the bottom, there is a brown ground area with three numbered circles: 1 (a deer), 2 (a hedgehog), and 3 (an owl). Three lines connect the animals to objects in the sky: line 1 goes from the deer to the green balloon, line 2 goes from the hedgehog to the kite, and line 3 goes from the owl to the red balloon. The lines cross each other. At the top, there are three dashed boxes for writing the animal numbers. Decorative elements include a red maple leaf on the left and a blue bird on the right.
