

Apporte à la grue son nombre

Prénom : _____ Date : _____

 Pars du nombre du camion et écris le nouveau nombre dans la case de chaque panneau. Trouve la route qui finit sur le nombre de la grue.

The game consists of a path starting at a truck with the number 54 (circled in orange) and ending at a crane with the number 46 (circled in green). The path is made of yellow segments with various math problems in boxes. The background is a construction site with various vehicles and objects.

Math problems along the path:

- Top right: -10 , -2 , $+10$
- Top middle: $+1$, -10 , $+5$
- Middle: -2 , -2
- Bottom right: -1 , -2 , -1
- Bottom middle: -1 , -5
- Bottom left: $+10$, $+10$
- Left side: $+1$, $+5$
