

Nombres ordinaux : le drapeau change de côté – Corrigé

Prénom : _____ Date : _____

Cherche d'abord le drapeau : il peut être à un bout ou à l'autre. Pars de là, compte jusqu'au nombre de l'étiquette et fais la marque.

Row 1: A horizontal line with a red flag at the left end. Eight boxes follow, each with an illustration and a dot below it. The boxes contain: a pine cone, a lake scene, a fly, a raccoon, a squirrel, a flashlight, a campfire, and a canoe. The campfire box is labeled '7e' and the canoe box is labeled '8e'. Below the boxes are two buttons: '7e' with a red 'X' and '8e' with an empty square.

Row 2: A horizontal line with a red flag at the right end. Eight boxes follow, each with an illustration and a dot below it. The boxes contain: a landscape with a path, a bear, a water bottle, a tent, a log, a campfire, a forest scene, and an axe. The water bottle box is labeled '6e' and the log box is labeled '4e'. Below the boxes are two buttons: '4e' with a checkmark and '6e' with an empty square.

Row 3: A horizontal line with a red flag at the left end. Eight boxes follow, each with an illustration and a dot below it. The boxes contain: a fish, boots, a hat, a forest scene, a lake scene, a moon, an owl, and a landscape with a path. The fish box is labeled '1er' and the hat box is labeled '3e'. Below the boxes are two buttons: '1er' with an empty square and '3e' with a red 'X'.
