

Casse-Têtes Mathématiques

Résous les énigmes en images!

A 3x3 grid of math problems is overlaid on a large, colorful illustration of a hamburger. The grid is divided into nine equal-sized cells. Each cell contains a simple arithmetic equation. The hamburger illustration is centered behind the grid, showing a sesame seed bun, lettuce, tomato, cheese, and a beef patty.

$3 + 2 = 5$	$14 - 10 = 4$	$1 + 2 = 3$
$1 + 5 = 6$	$9 + 1 = 10$	$6 + 2 = 8$
$11 - 9 = 2$	$23 - 14 = 9$	$1 + 6 = 7$
