

La linea dei numeri: salti di 10 fino a 100

Nome: _____ Data: _____

★ Ogni tacca vale 10: salta di dieci.

1

A horizontal number line with arrows at both ends, ranging from 0 to 100. Major tick marks are labeled 0, 50, and 100. There are 10 equal intervals between 0 and 100, each containing a minor tick mark. Two dashed orange boxes are placed above the line, each with an orange arrow pointing down to a tick mark. The first box is positioned above the 3rd tick mark (representing 20), and the second box is positioned above the 7th tick mark (representing 60).

2

A horizontal number line with arrows at both ends, ranging from 0 to 100. Major tick marks are labeled 0, 50, and 100. There are 10 equal intervals between 0 and 100, each containing a minor tick mark. Two dashed orange boxes are placed above the line, each with an orange arrow pointing down to a tick mark. The first box is positioned above the 2nd tick mark (representing 10), and the second box is positioned above the 8th tick mark (representing 80).

3

A horizontal number line with arrows at both ends, ranging from 0 to 100. Major tick marks are labeled 0, 50, and 100. There are 10 equal intervals between 0 and 100, each containing a minor tick mark. Two dashed orange boxes are placed above the line, each with an orange arrow pointing down to a tick mark. The first box is positioned above the 5th tick mark (representing 40), and the second box is positioned above the 9th tick mark (representing 90).
