

Ordinali dai due lati: parti dalla bandierina

Nome: _____ Data: _____

Cerca prima la bandierina: può stare a un capo o all'altro della fila. Parti da lì, conta fino al numero di ogni gettone e fai il segno.

Row 1: A horizontal line with an arrow pointing right and a small flag at the start. Below the line are seven icons in boxes: a submarine, an ambulance, a forklift, a steam train, a van, a truck, and a ship. Below each icon is a dot.

Row 2: Two boxes for marking positions. The first box contains "5°" and an empty circle. The second box contains "7°" and a crossed-out circle.

Row 1: A horizontal line with an arrow pointing right and a small flag at the start. Below the line are seven icons in boxes: a forklift, a train, a canoe, a ship, a tractor, a crane, and a helicopter. Below each icon is a dot.

Row 2: Two boxes for marking positions. The first box contains "1°" and a crossed-out circle. The second box contains "2°" and an empty circle.

Row 1: A horizontal line with an arrow pointing left and a small flag at the end. Below the line are seven icons in boxes: a rocket, a taxi, a train, a helicopter, a ship, a forklift, and a van. Below each icon is a dot.

Row 2: Two boxes for marking positions. The first box contains "3°" and an empty circle. The second box contains "6°" and a crossed-out circle.
