$10 - 6 = 4$	$8 - 5 = 3$	$15 - 13 = 2$
$22 - 13 = 9$	$15 - 10 = 5$	$7 - 1 = 6$
$16 - 9 = 7$	$22 - 14 = 8$	$15 - 5 = 10$

A colorful illustration of a house with a grey roof, a red chimney, and a brown door. The house is overlaid on a 3x3 grid of math problems. The house's roof and chimney are in the top row, the main body of the house is in the middle row, and the base of the house and some greenery are in the bottom row.
