The image shows a matching exercise on a light orange background with a green grassy area at the bottom. At the top, there are four dashed boxes containing numbers 3, 1, 4, and 2 from left to right. Below these are four objects: a red and blue diamond-shaped kite, a red and yellow diamond-shaped kite, a red balloon, and a green balloon. At the bottom, there are four numbered circles (1, 2, 3, 4) from left to right, each with a character or object below it: a girl in a red dress and hat, a boy in a blue jacket, a girl in a blue dress, and a brown teddy bear. Four paths connect the bottom to the top: a yellow path (1) from the girl in red to the red/blue kite; a blue path (2) from the boy in blue to the red/yellow kite; a purple path (3) from the girl in blue to the red balloon; and a brown path (4) from the teddy bear to the green balloon. A seagull is on the left and a smiling sun is on the right.
