

Hakken en plakken: één klank per hokje

Naam: _____ Datum: _____

Zeg het woord bij het plaatje langzaam. Schrijf in elk hokje één klank. Een breed hokje met een boogje is voor twee letters die samen één klank zijn.

1

Four dashed boxes for writing sounds. The third box is wider than the others and has a small blue curve underneath it, indicating it is for a digraph.

2

Four dashed boxes for writing sounds. The third box is wider than the others and has a small blue curve underneath it, indicating it is for a digraph.

3

Four dashed boxes for writing sounds. The third box is wider than the others and has a small blue curve underneath it, indicating it is for a digraph.

4

Three dashed boxes for writing sounds. The first box is wider than the others and has a small blue curve underneath it, indicating it is for a digraph.

5

Three dashed boxes for writing sounds. The second box is wider than the others and has a small blue curve underneath it, indicating it is for a digraph.

6

Three dashed boxes for writing sounds. The first box is wider than the others and has a small blue curve underneath it, indicating it is for a digraph.
