Opgave 1

$$\text{sewist} + \text{farmer} + \text{postman} = 21$$

$$\text{farmer} + \text{postman} = 17$$

$$\text{farmer} + 2 + 12 = 24$$

$$\text{sewist} = \square \quad \text{farmer} = \square \quad \text{postman} = \square$$
